Collaborative Doctoral Training Expression of Interest ⸓

1. What funding stream do you intend to submit to? *

○ CDP4

○ Other

2. What partner organisation will this project be based at? If there is more than one collaborating organisation please select the organisation where the lead supervisor is based. *

☐ Amgueddfa Cymru - Museum Wales

☐ National Botanic Garden of Wales

☐ National Library of Wales

3. Please state what AHRC research areas your project falls under *

[   ]

4. Which of our four research priorities does this project relate? *

○ Everyone is represented: How can we tell new stories, re-interpret collections to tell stories we know through new voices and engage new audiences?

○ Safeguarding biodiversity: How can we support evidence based responses to the climate emergency and biodiversity crisis and conserve our ecosystems?

○ Digital access to collections: How can digital technology impact accessibility as well as the interpretation of collections and the types of stories told?

○ Conservation: How can the heritage sector manage conservation priorities and choices in new contexts of collection use, widening participation, and changing landscapes?

5. Please state what research area(s) your project falls under *

[   ]

Details of potential supervisors at your partner organisation

6. Lead supervisor *

[   ]

7. Lead supervisor job title and department *

[   ]

8. Lead supervisor email address *

[   ]

9. Does the lead supervisor have any previous supervision experience? *

○ Yes

○ No

10. How many PhDs have they supervised to completion and/or are they currently supervising? *

[   ]

11. Have you identified a second non university supervisor? *

○ Yes

○ No

12. Second supervisor

13. Second supervisor job title and department

14. Second supervisor email address

15. Does the second supervisor have any supervision experience?

○ Yes

○ No

16. How many PhDs have they supervised to completion and/or are they currently supervising?

Details of potential university supervisors

17. Lead university supervisor *

[   ]

18. Lead university supervisor job title, department and university *

[   ]

19. Lead university supervisor email address *

[   ]

20. Does the lead university supervisor have supervision experience? *

○ Yes

○ No

21. How many PhDs have they supervised to completion and/or are they currently supervising? *

[   ]

22. Have you identified a second university supervisor? *

○ Yes

○ No

23. Second university supervisor

[   ]

24. Second university supervisor job title, department and university

[   ]

25. Second university supervisor email address

[   ]

26. Does the second supervisor have any supervision experience?

○ Yes

○ No

27. How many PhDs have they supervised to completion and/or are they currently supervising?

Scope of proposed project

28. Title *

29. Summarise your proposed research project (max 300 words) with reference to: Research questions, relevant collections at your partner organisation, originality of the topic to your field(s), feasibility as a four year research project *

30. Summarise how your project is of value to you as the partner organisation (max 300 words), please consider organisational vision, research priorities and research strategy *

Funding options

31. Is your university partner eligible for any other funding streams in addition to the one that you are intending to apply for (for example GW4, GW4 Fresh, SWWDTP, or ESRC Wales DTP)? *

○ Yes

○ No

32. Do you intend to target any of these funding streams?

[   ]
